

Eco-Core White Birch Multiply Pre-finished with Clear Melamine Foil STORAGE & HANDLING, CARE & MAINTENANCE

SECTION 1 GENERAL INFORMATION

Eco-Core White Birch Multiply pre-finished with Clear Melamine Foil is applied on one face or both faces. It is not applied to the edges or any cut-outs made by a joiner, these must be sealed / lacquered.

SECTION 2 STORAGE AND HANDLING

Storage & Handling

Sheets should be stored flat, preferably in a slightly elevated 100% level platform in a clean and dry environment away from water, moisture, humidity and direct sunlight. It must not be subjected to extreme temperatures. Never store sheets upright or diagonally against a wall or table. When not working on them, it is best stored in the original packaging with cover sheets top and bottom until it is needed. Never leave sheets exposed without cover sheets.

SECTION 3 CARE AND MAINTENANCE

Care & Maintenance

Wipe the surface of the Clear Melamine Coated panel with a soft, clean, water dampened cloth, wring out excess water. Follow with a clean soft dry cloth or micro fibre cloth and wipe until surface is dry. Never use abrasive cleaning materials or implements. Do not use any corrosive or strong solvents that may damage the surface. Avoid the use of acetone or trichloroethylene for cleaning purposes. Use of abrasive cleaners, powders, scouring pads, steel wool, sandpaper etc. can damage the finish and make the surface susceptible to staining. Accidental spills or splatters from harsh materials should be wiped off immediately, and the area cleaned thoroughly with a damp cloth, always use protective gloves. Examples of these materials are: ceramic cooktop cleaners, tub and tile cleaners, chlorine bleach, oven cleaners, and other harsh detergents. Do not place hot objects such as kettles, pots or appliances directly onto the surface, use a trivett or a cork board. Do not cut directly on the surface as it may leave a permanent mark. This maintenance only applies to timber or bamboo pre-finished with Clear Melamine Foil, it does not apply to other types of finishes or raw and unfinished products.

SECTION 4 COMPANY IDENTIFICATION

Company Name	Global Ventures Australia Pty Ltd
Address	Unit 13 / 22 Beaumont Road Mount Kuring Gai NSW 2080 Australia
